EXPERIENCE

Editorial Associate & News Aggregator, State Affairs Pennsylvania

MAY 2026 – PRESENT

Produce a daily Pennsylvania-focused news brief, aggregating top political and policy stories, writing sharp headlines and summaries and packaging content for a flagship newsletter product • Leverage AI tools to streamline headline discovery and workflow efficiency while maintaining strong editorial judgment for accuracy and quality • Monitor breaking news and statehouse activity, contributing spot reporting, brief stories and trend coverage across Pennsylvania

Health News Intern, The Post-Standard | syracuse.com

JANUARY 2025 – MAY 2025

Researched and wrote articles covering local public health issues to inform a diverse regional audience in Central New York • Conducted interviews with healthcare professionals, public health experts and community members to ensure accurate, timely reporting • Edited and fact-checked articles, ensuring accuracy in medical terminology and data

DNC Freelance Reporter, The Post-Standard | syracuse.com

AUGUST 2024

Established a coverage plan with The Post-Standard/syracuse.com before the convention, focusing on the New York delegation • Interviewed delegates and elected officials at press briefings, producing comprehensive coverage and insightful articles • Wrote four articles on tight deadlines during the convention related to the NY-22 U.S. Senate race

Investigative Reporting Fellow, The Evening Sun

JUNE 2024 – AUGUST 2024

Pitched and wrote stories investigating government spending in Chenango County, NY to promote accountability of government officials • Crafted compelling breaking news articles for both newspaper and print, focusing on crime, government and education • Edited copy to ensure accuracy, clarity and adherence to journalistic standards

Data Journalism Intern, USA TODAY Network

AUGUST 2023 – DECEMBER 2023

Submitted FOIA requests to law enforcement agencies across New York State to compile data on police-involved car crashes • Conceptualized data visualizations to illustrate findings, enhancing reader engagement and understanding of police-involved car crash data • Created detailed spreadsheets with law enforcement data to eventually upload to a comprehensive database of police-involved car crashes to provide transparency and accountability for these agencies

News Lead Producer, The NewsHouse

AUGUST 2023 – DECEMBER 2023

Assigned timely and relevant stories to a staff of 60+ journalists every week, keeping students informed about key local news • Edited around ten articles per week and created and published content packages using WordPress CMS software, ensuring high-quality content was published on time • Wrote articles and took photos with a DSLR camera to capture newsworthy stories in the surrounding Syracuse University area, enhancing the visual and narrative quality of the news coverage
