EXPERIENCE

Heath News Intern, The Post-Standard | Syracuse.com

JANUARY 2025-PRESENT

Researched and wrote health-related news articles covering local public health issues reaching a diverse regional audience • Conducted interviews with healthcare professionals, public health experts and community members to ensure accurate, timely reporting • Assisted in editing and fact-checking articles, ensuring adherence to editorial standards and accuracy in medical terminology and data

DNC Freelance Reporter, The Post-Standard | Syracuse.com

AUGUST 2024

Met with The Post-Standard/Syracuse.com to establish a coverage plan before the convention with story ideas with a focus on the New York delegation • Attended press briefings and interviewed delegates and elected officials • Wrote four articles on tight deadlines throughout the convention related to the NY-22 U.S. Senate race

Investigative Reporting Fellow, The Evening Sun

JUNE 2024 – AUGUST 2024

Submitted Freedom of Information Act requests to law enforcement agencies across New York State, fostering transparency and accountability in reporting on police-involved car crashes • Conceptualized data visualizations to illustrate findings in a reader-friendly manner • Created detailed spreadsheets with law enforcement data, contributing to a comprehensive database of police-involved car crashes

Data Journalism Intern, Gannett | USA TODAY Network

AUGUST 2023 – DECEMBER 2023

Submitted Freedom of Information Act requests to law enforcement agencies across New York State to collect data regarding police-involved car crashes • Conceptualized data visualizations to illustrate findings in a way that was palatable and accessible to readers • Created detailed spreadsheets with law enforcement data to eventually upload to a comprehensive database of police-involved car crashes to provide transparency and accountability for these agencies

News Lead Producer, The NewsHouse

AUGUST 2023 – DECEMBER 2023

Pitched timely and relevant on- and off-campus stories to a staff of over 60 students each week to create articles to inform students of important news happening in their community • Copy-edited roughly ten articles each week and created and published packages using WordPress CMS software • Wrote articles and took photos with a DSLR camera to capture newsworthy stories in the greater Syracuse University area

Projects & Social Media Intern, New York Press Association

MAY 2023 – JULY 2023

Reported on a special project regarding the allocation of opioid settlement funds in New York State to create transparency for New York residents • Wrote for a bimonthly magazine about the newspaper industry to inform editors and writers about the state of journalism in New York • Created a social media plan for the New York Press Association's social media accounts to ensure proper communication and transparency with the public
